**One School | Two Locations | Home of the Stars – We Shine – We Soar!**

Dear Broadway Academy at Mount Pleasant (BAMP) Parent Partners & Stakeholders:

Today, I am proud to join the Broadway family as the new principal. We are one school in two locations.

I have been in education for over 26 years, having taught 1st, 3rd, and 5<sup>th</sup> grades. Additionally, I taught 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade English/Language Arts, Math, and Science as a middle school teacher in Columbus, Ohio.

In 2005 I began my instructional leadership journey in Columbus, Ohio as an assistant middle school principal. In 2008, I was the founding principal of a STEM Academy in Columbus. In 2013, I was selected to lead a STEM campus on Columbus' West Side. I was awarded a prestigious fellowship in 2015 that led to me teaching undergraduate students as a full-time doctoral student at Bowling Green State University in Ohio. After graduating with a doctorate in Educational Leadership and Policy Studies, I returned to school leadership in Cleveland, Ohio as the campus Director of a K-12 campus for students with emotional and behavioral exceptionalities before serving as Head of School at a College Preparatory program in Cleveland.

As your principal, I promise to:

1. Foster an academically rigorous environment that engages the learning styles of all learners.
2. Have zero tolerance for bullying, harassment, instigating, fighting, and unkindness amongst students and staff
3. Continue the emphasis on a positive school climate and culture that fosters emotional, physical, and psychological safety for staff and students.
4. Partner with parents, guardians, and community stakeholders to ensure the academic success of all students
5. Lead with love, integrity, and emotional intelligence with the Broadway Creed serving as my guide and centripetal focus.

In my first 90 days, I will engage in a series of listening tours to meet with members of our learning community to hear your heart to strategically craft our plan of work.

Finally, my goal as the new leader is to regain our families that have relocated to other schools, reuniting them with the Broadway Academy learning community. We are committed to building upon BAMP's academic success and are striving towards even greater achievements. I am elated to collaborate with our dedicated staff, enthusiastic, bright STAR students, and supportive families to create a vibrant and nurturing educational experience. Thank you for trusting us to serve the educational needs of your child(ren). We look forward to meeting you at upcoming school events and working together to make this school year an overwhelming success.

Cheers to a wonderful educational partnership.

In Leadership and Service,

A handwritten signature in black ink that reads "D. Christopher Scott".

Delbert Christopher Eugene Scott, Ed.D., QMHP

At Broadway, students thrive in a safe, structured environment that blends academic excellence with strong values and personal growth. Core subjects are taught with high expectations and close attention to individual progress, while students also benefit from character education, social-emotional learning, and vibrant student activities. A technology-enhanced learning environment—with Chromebooks and Vimeo Boards in every classroom—supports engagement and success across all grade levels. Middle school students take part in a Career-Based Intervention program that helps them explore their strengths and set personalized goals, ensuring a thoughtful transition into high school and beyond.
